

PRIVACY POLICY

Your privacy is very important to us. We want to make your experience on the Internet as enjoyable and rewarding as possible, and we want you to use the Internet's vast array of information, tools, and opportunities with complete confidence.

We have created this Privacy Policy to demonstrate our firm commitment to privacy and security. This Privacy Policy describes how our company collects information from all end users of our Internet services (the "Services")-those who access some of our Services but do not have accounts ("Visitors") as well as those who may purchase Products and/or pay a monthly service fee to subscribe to the Service ("Members")-what we do with the information we collect, and the choices Visitors and Members have concerning the collection and use of such information. We request that you read this Privacy Policy carefully.

Personal Information Our Company Collects and How It Is Used

Introduction. Our company collects information in different ways from Visitors and Members who access the various parts of our Services and the network of Web sites accessible through our Service. We use this information primarily to provide a customized experience as you use our Products and Services, and generally, do not share this information with third parties. However, we may disclose personal information collected if we have received your permission beforehand or in very special circumstances, such as when we believe that such disclosure is required by law or other special cases described below.

Registration: Members may be asked to provide certain personal information when they sign up for our Products or Services including name, address, telephone number, billing information (such as a credit card number), and the type of personal computer being used to access the Services. The personal information collected from Members during the registration process is used to manage each Member's account (such as for billing purposes). This information is not shared with third parties, unless specifically stated otherwise or in special circumstances.

However, in instances where our company and a partner jointly promote our Services, we may provide the partner certain personal information, such as the name, address, and username of persons who subscribed to the Services as a result of the joint promotion for the sole purpose of allowing us and the partner to assess the results of the promotion.

In this instance, personal information may not be used by the partner for any other purpose. We may also generate non-identifying and aggregate profiles from personal information Members provide during registration (such as the total number, but not the names, of Members). As explained in more detail below, we may use this aggregated and non-identifying information to sell advertisements that appear on the Services.
